

Our Contributions:

Since 1998 the Kenyon- Wanamingo Education Foundation has **funded over \$190,000.00 in requests** from Kenyon-Wanamingo Independent School District No. 2172. These requests have ranged from PhyEd equipment to wall maps, bird feeding stations to advanced reader books, and I-Pads to Robotics Brain Boxes. The items these requests have purchased have served to enrich and expand the scope of our students' knowledge and understanding of the world around them. Below is a list of the foundations' contributions to our community's education and enrichment.
