We need your help! We encourage all parents to actively participate in their children's preschool experience. Being involved is an important and fun way to show your support for your child's early education, and help make their preschool experience be successful and meaningful

We offer a variety of ways to be involved; please check which opportunities you would be willing to participate in:

____ Volunteering in the classroom (1:1, reading, small groups, prep)

____ Attending parent/family events

____ Sharing talents with the class (list
ideas: _____)

____ Joining the parent advisory council which meets 4x per year

____ Prep work at home for classroom teacher

____ Help with class parties/family days/special events

____ Making Copies

____ Assist with fund-raisers

When are you most available?

Remember, you can also remain involved by attending ECFE classes and special events with your child, participating in conferences and home visits.

Thank you all, we couldn't do it without your help!
