

Inclement weather day fun family activities
(Distance Learning Days)

- Go on a shape or color hunt around your house together
- Count things around the house: steps, doors, windows, chairs etc
- Color with washable markers on the window or sliding door
- Read, read, read!
- Tell stories
- Make a book together
- Color a picture together
- Make play dough or cook together, let them help!
- Play a family game together, it's OK if kids don't win
- Make up a new game to play together
- Make a fort, bed on the floor and watch a show together
- Write a letter/make a card to grandma, grandpa, auntie together
- Let your child choose something to play together
- Have your child help with a household chore
- Play outside together
- Make a tower of items (get creative!) and count them
- Practice tracing or writing familiar letters
- Find/point out patterns inside and out
- Turn on some music and dance!
- March around the house to music, can you make a drum?
- Create an indoor obstacle course
- Snip paper scraps or cut pictures out of a paper or magazine
- Snip straws and use them to make a necklace for a friend!
