Winter Weather Plan

Our highest priority is the safety of our students, staff, and visitors. It is important to remember that parents and guardians are the final decision makers regarding their child's safety. Please contact the school attendance office if you choose to keep your child home due to unsafe weather or driving conditions.

School delay, closing, and early dismissal decisions will be communicated through our Infinite Campus instant messaging system. Please keep your preferred contacts updated. Information will also be shared at WCCO TV/radio and KDHL radio-AM 920. The district will conduct Distant Learning Days on the cancellation date in lieu of make-up school days. Attendance will be taken in the form of assignment completion. Assignments will be posted on each teacher's web page.

Kenyon-Wanamingo students attending school in the Goodhue County Education District will always follow the calendar and schedule of the Red Wing Public School District. <http://www.gced.k12.mn.us/>

Our sources of information are generated from first hand observations about local weather and road conditions as well as the forecast from the National Weather Service. <http://www.weather.gov/>
