It's an opportunity to unwind, embrace the festive cheer, and create lasting memories together.

Snow Day Notifications: As we approach the winter season, I wanted to take a moment to address our procedures in the event of inclement weather, particularly snow days.

The safety and well-being of our students and staff are of utmost importance to us. Should a snow day occur, we will notify you through our established communication channels. I will always try to make the "call" the evening before when possible. If not, this is what I do:

- 4am: I will personally drive the roads, as well as our transportation team.
- 5am: Emails sent, website updates and updates to social media platforms.
- 6am: You will receive a phone call and/or text messages.

Please ensure that your contact information is up-to-date to facilitate effective communication during such instances.

Care Solace Updates:

Happy December! With the holidays upon us, there are many reasons to be joyful. It's a time for sharing, laughter, giving back, and creating memories with family and friends. The holidays, however, can also be stressful and it is essential to care for your mental health. We may be making plans to visit loved ones, managing our budget for gifts, or coordinating events with our community. With an already-packed schedule, these additional tasks can add stress to our lives and it is essential to care for your mental health.
