www.caresolace.com/kwk12 for mental health resources during Self Harm Awareness Month!

New Physical Education Equipment:

This year, Kenyon Vet Clinic adopted our school – this means they donated \$1,500 to the American Heart Association on our behalf. The purpose of this is so that our school would receive funds to purchase new PE equipment. Thanks so much to Kenyon Vet for supporting KW Elementary through Kids Heart Challenge!

We are celebrating World Down Syndrome Day!

Every year on March 21, people all around the world come together to celebrate World Down Syndrome Day, it's observed to create awareness about Down Syndrome. Join in celebrating by wearing brightly colored, mismatched socks. March 21 is symbolic because people with Down syndrome have 3 copies of their 21st chromosome. Each person with Down syndrome has different talents and the ability to thrive.
