

7. Outline the lesson. Briefly describe activity, student participation, and teacher action.
Instructional Strategy

Materials Needed

Student Participation

Teacher Action

8. Throughout the lesson, how will you check for understanding to monitor and adjust your teaching?
9. What have you done to support professional responsibilities as a teacher and employee? *(Reflecting on teaching, communicating with parents, showing professionalism, working to support colleagues/principals, and participating and serving on building/district committees).*
10. What activities demonstrate your professional development?
